ZEESHAN CHAROLIA

Profile

Highly motivated and creative individual with exceptional interpersonal skills and a natural curiosity for solving complex problems. Known for quick decision-making abilities and excelling in both collaborative team environments and leadership roles.

Possesses expertise in C++, CSS, React, JavaScript, and PostgreSQL. Demonstrates a proven track record of innovative web development projects, building robust and user-friendly applications. Committed to delivering high-quality, user-centric solutions and continually enhancing technical skills to stay ahead in the fast-evolving tech landscape

Experience

10/2022 – 03/2023

Taqneeq 15.0
Executive
- Gained foundational knowledge in technology and company pitching through mentorship from experienced seniors in my university's technical committee.
- Leveraged insights and guidance from the technical committee to build a strong foundation in tech and develop effective pitching skills in my first year.

10/2023 – 03/2024

Taqneeq 16.0
Sub-Head
- Promoted to Sub-head, leveraging my experience as an executive and tech enthusiast to excel in leadership.
- Successfully secured 7 companies for my university's tech fest, demonstrating my capability and networking skills.

10/2023 – 06/2024

International Society of Automation
Executive
- Promoted to Digital Creatives Executive at the International Society of Automation, showcasing my expertise in digital content creation and innovative strategies.
- Played a pivotal role in enhancing the organization's digital presence, driving engagement, and attracting a global audience with cutting-edge creative solutions.
